| Governmental Meetings

A Governmental Meeting is a meeting which <u>Elected Officials</u> can call for in order to make decisions.

During the meeting, all available officials meet and vote on a choice that must be made. There must be at least 2 available <u>Elected Officials</u> or a **Governmental Meeting** cannot be held.

If a draw is decided, then the choice is the "yes", "go ahead" or "prosecutor wins" answer.

<u>Citizens</u> who are not <u>Elected Officials</u> can sit in on **Governmental Meetings** but they cannot participate in voting.
